CITY COUNCIL COMMITTEES

City Council committees are intended to (1) enhance the communication between the City Council and City staff at the early phase of the development of significant items affecting public policy, (2) allow committee members to develop a deeper level of knowledge on matters of public policy or public concerns, and/or (3) make recommendations to the City Council on matters of public policy. The City Council Committees do not replace the City Council as final decision makers.

Committees should be disbanded when their primary function or task has been completed or no longer exists.

The Council member with the lowest seat assignment shall chair the committee.

1. Legislative Response

Purpose: As directed by the Mayor, review proposed state or federal legislation and provide a recommendation to the City Council on a formal position.
