- 1. Discuss recently completed projects as well as upcoming projects for Parks and Recreation including the Mistlin Indoor Sports Facility, the crack repair for the tennis courts and the painting of the concessions building and ticket booth at the Sports Park.** Director Stevens reported that the City is looking into filling in cracks at Tennis Courts in October or November of this year.  
The park and playground at the new Vineyards subdivision across from the Mistlin Sports Park has been completed and new swings and playground equipment have been installed at Country Woods Park. Another project recently completed is the painting of the ticket booth and concessions building at the Sports Park and the most visible project going on right now is the new Indoor Sports Facility which is currently being constructed at the Sports Park. The project should be finished in November or December of 2019.
- 2. Other Reports - Director or Commissioners. None.**

There being no further business the meeting was adjourned at 6:36pm.
