- 1. Discuss the recently completed summer recreation programs and the upcoming recreation programs for the fall and winter of 2021.**
Due to Covid-19 almost all the indoor programs have been postponed, but outdoor recreation programs are allowed under the new guidelines with some restrictions. Director Stevens reported that tennis lessons were extremely popular this year and that the baseball season went very well. The Aquatic Center was open for swim team practice, swim lessons and open swim sessions. There were also four tennis camps and a soccer camp offered this summer. The recreation soccer season will begin this weekend and we hope to be able to offer recreation basketball again this year at the end of November 2021. Registration for flag football, baseball, softball and tee ball will start in the next 4 – 6 weeks.
- 2. Other Reports - Director or Commissioners. None.**

There being no further business the meeting was adjourned at 6:33 pm.
